YPS TURNS 40!

YPS celebrates its 40th Founders' Day

HARD WORK PAYS OFF

Students and Houses get awarded

EDITORIAL

Hola Readers!

This session of 2019-20 will go down in the annals of the school as YPS, Mohali celebrates its 40th year. For the students, this significant year beckons to them to excel in their fields and add laurels to the glorious history of the school. As it has been reiterated at various platforms, this is the “Year of Excellence” for the Yadavindrians. Should we not ponder on what the word ‘Excellence’ stands for? It is not something which can be standardized for every individual. Excellence is not a measure of your achievements, but it is the measure of the hard work, dedication and focus which puts you in a league ahead. With the spirit to stretch our limits sans bounds, we all must strive to better ourselves as that is what life is all about.

The first term itself has been evident of the dynamic progress of our school. Apart from the magnificent celebrations of our 40th Founder’s Day, the students left their footprints in various Inter-School Events and have brought unprecedented glorious results to the school in ICSE and ISC examinations. We saw Ms Kiran Rai join the YPS fraternity as the DHM. Ms. Harinder Kaur is all set to complete her 31 years of dedication and commitment to this institution and a special Hindi Section has been dedicated to her in this issue.

Furthering the endeavour of our predecessors, the Editorial Board has taken up the onus to make every issue of the Oracle more captivating than the previous one. And I hope that the teachers and students will keep giving us support through their articles, poems and invaluable advice.

Buena Suerte!

Ms. RAI joins the YPS Family

Madam, what made you come to YPS?

When I was at Mayo College Girls School, I got a chance to interact with students from YPS. YPS is one of the premier schools of India. When I finally visited this place, I got a lot of positive vibes which made me join this school.

As you have been a history teacher, please tell us something about your passion in this subject and share your views about history being taught to students.

I’ve been passionate about History since I was in school and I was always encouraged to pursue my passion even though I am coming from a doctors’ family. I think to study History, or any subject, you must like the subject and take interest in it. Students should be encouraged to read beyond the text, gain knowledge of current affairs, and read newspapers so as to develop interest in the subject.

What was that one thing that you really liked in the YPS family and one thing you would like to change about our students?

Going for the positive first, everyone, the students and teachers, have been very warm and welcoming. Even though it has just been a month here, it feels that I have been here for a long time. And something that I find very different, which is actually not negative, is the use of Punjabi language. So, sometimes I do have difficulty in understanding and I have to ask the student, teacher or even a parent to actually stop and use either Hindi or English. I don’t think there is anything wrong in speaking Punjabi tongue but one should not undermine the importance of English. I would like the students to be fluent in spoken English.

One message you would like to give to the students.

I wish them well and I do hope that we make a lot of good memories together over the years.

All in a sync

Dancing to the Bhangra beat

The 40th YPS Founder's Day held on 9th April 2019, was a manifestation of the perseverance and hard work portrayed by the students for the past month. The basketball courts of YPS were aflutter with the beautiful paintings and craftworks made by the budding artists of YPS. The event started with the grand academic procession led by the chief guest Lt. Gen Chetinder Singh(Retd.), the Director Maj. Gen. TPS Waraich, VSM**(Retd.), The Deputy Headmistress Mrs. Kiran Rai, the Heads of Junior and Kindergarten Wing and the entire teaching fraternity. In his Welcome Address, the Director proclaimed this year to be the "Year of Excellence" and gave a brief introduction about the institution, stating that great schools are created by their ideology, good practices and its team of experienced educators and support staff. The Annual reports comprising the Academic, Sports, Co-curricular and SUPW reports were read out by the School Appointments. The Head Boy and Head Girl of the Junior Wing also read out their report. The much-awaited prize distribution preceded the Chief Guests address. Lt. Gen. Chetinder Singh (Retd.) took us back to his school days and enlightened us with his amazing stories and anecdotes. He also inspired the students by saying many inspirational thoughts, one of them being "make child for the road and not road for the child." At the end, the exceptional dance and music programme proved to be the highlight of the occasion. The classical dancers with their exceptional moves left the audience awestruck. The energetic Bhangra performance in the end brought smile on each one's face. Thus, the most formal event of the year ended that day, bringing a sense of satisfaction to all who had worked for this momentous occasion.

The Prize Distribution Ceremony

Congratulations to the Champions!

A special prize distribution ceremony was held on April 23 to award the students who had achieved excellence in academics and 100% attendance in the 2018-19 session. The ceremony was held in the newly constructed Academic Hall. 62 students from classes V-IX and XI were awarded for Excellence in Academics whereas 49 students received a certificate for 100% Attendance.

The feeling of pride could clearly be seen on the faces of the winners. Students who sacrificed everyday of theirs to education and knowledge were also awarded. House Trophies were given to the winners of various co-curricular and sports activities. As the trophies were being given out, the students were cheering and applauding for their various Houses. The ceremony ended with the Director's message which motivated all the students to work hard and strive for excellence themselves. The ceremony set the tone for the academic year 2019-20 and recognized this year as the 'Year of Excellence'.

EARTH DAY CELEBRATIONS

Earth day is celebrated every year on April 22nd. With different species of animals getting extinct and endangered, plastic products increasing day-by-day, and the global temperature increasing, it is necessary to educate the youth about how we are harming our mother earth, and how we can save it. Our school choir sang a beautiful song on saving earth, and an enlightening speech was delivered highlighting what we are doing wrong. Our students took a pledge to promise to save our dying earth; the students promised to develop eco-friendly attitude, think with the mindset 'think globally and start locally', make intentional efforts to save resources at home and in school, not litter the surroundings and keep our school and city clean, safe and secure, to try to use biodegradable products to practice 5 basic R's – refuse, rethink, reduce, reuse and recycle. And readers, please remember, no matter how small an action you are doing, good or bad, it will have an immense impact on our planet, so be conscious about what you are doing.

We pledge to save our Mother Earth

PAST v/s PRESENT

CRICKET

Yadavindra Public School, Mohali's U-19 cricket team played a match against the Old Yadavindrians' Association (OYA) cricket team, on the 7th of April, 2019. YPS, playing first, scored 102 runs, at the loss of 7 wickets, in 10 overs. Chasing this target set by their juniors, the OYA cricket team was all out at the score of 90 runs. YPS won the match by 12 runs. It was indeed an exciting match.

Hockey

Yadavindra Public School's U-19 hockey team played an exhibition match against the Old Yadavindrians Association, on the 22nd of April, 2019. YPS U-19 team emerged winners of the contest, with score being 5-3. It was a great experience for both the teams. The players were brimming with zeal, and their spirits were high throughout the match.

Yadavindrians in Japan!

At the universal studio in Japan

YPS organised an educational trip to Japan after the annual examinations in March to provide international exposure to the students. A group of 17 students from classes VII to X formed the group, and were accompanied by two teachers, Ms. Megha and Mr. Jagtar Singh. The trip was organised by OISCA (The Organization for Industrial, Spiritual and Cultural Advancement), in collaboration with the travel agency Asahi. It was a seven day trip. During their trip, they visited Tokyo, Mt. Fuji, Hiroshima, Kyoto and Osaka. Visiting Japan was a transforming experience for them.

In Tokyo, rules are compiled meticulously. Considerable effort is directed by the Japanese on disposal of waste by following strict environment friendly protocols. The most unique experience they had in Japan was their travel in the world famous Bullet Train or "Shinkansen" from Mt. Fujito Hiroshima. Japan is a fusion of ultra modern technology and ancient tradition. Probably the most remarkable thing about the Japanese is their discipline and politeness towards others. Japan provides a great model about how we need to change as Indians if we want our country to succeed.

The Poet's Heart

The Poet is born from the Heart
 And does his duty part by part.
 He strings his words to give a name
 To a God, vale, tear, maid of fame.
 Every word is brightly; sweetly laid
 And love, valour, beauty are justly paid.
 The Poet gives a Heart to his words
 As he plays with his fancy words.
 He lives in the blushes of lovers;
 Listens to secret whispers covers
 Their dreams, hopes, oaths, and lofty deeds.
 On human nature, his words feed.
 His Heart follows sage, climber, soldier
 All who work for nature dear.

Pewdiepie Versus T-series: Battle of the Titans

Since the beginning of 2018, there has been a huge fight between the largest creator on YouTube and the largest Indian music label and film production company - Pewdiepie and T-series; to be the most subscribed to channel on YouTube. Pewdiepie has been the most subscribed to channel on the YouTube since the year 2013. Pewdiepie has made two classic songs dedicated to T-series, his latest being 'Congratulations.' He made this song when T-series finally got a bit ahead of him. In this song he (sarcastically) congratulated T-series on winning, but then, within 24 hours, he got ahead of T-series again! In his song, he touched some very sensitive topics, such as the MeToo case on Bhushan Kumar of T-series, who was also blamed for a huge tax evasion. In the same song, he also mentioned how such a huge music company which needed every Bollywood song-still could barely beat a Swede-looking at memes. He also exposed the song piracy T-series started with. Pewdiepie did a live stream over a weekend and did not sleep or end the stream until he raised Rs 1,70,00,000, then, he donated it to an Indian charity to help remove child labor in India called- Child Rights and You. He and creators all over the world do such noble acts every day and yet they are always painted in the worst light possible by reputed news outlets. Currently T-series is winning the fight. So I would like to end with one line- who do you choose, Pewdiepie or T-series?

हम खुद को बहुत सौभाग्यशाली मानते हैं कि हमें हरिंदर मैम जैसे टीचर मिले जिन्होंने न सिर्फ हमें पढ़ाया अपितु जिंदगी के पथ पर चलना सिखाया। - YPS के विद्यार्थी

बच्चों अਤੇ अध्यापकों लड़ी प्यूरना मूड, हमेशा मिलनासाठ, दिक् चंगे विअकती अते वपीआ अध्यापक। - स. रानिंदर सिंघ

“पर्वत के पर्यायवाची- पहाड़ से गिरि”

छोटी-सी गप-शप

1) हरिंदर मैम, आप इस वाई.पी.एस. परिवार में इतने साल रह चुके हैं। आपका इस विद्यालय के साथ नाता कैसे जुड़ा और आपका इतने वर्षों का सफ़र कैसा रहा?

इस विद्यालय में मुझे आए अब 31 साल हो गए हैं। मैं यहाँ 3 अक्टूबर 1988 में हिंदी की अध्यापिका के रूप में आई थी। तब ये सारा आस-पास का इलाका जंगल हुआ करता था तो शुरू-शुरू, मैं अपने घर से पैदल आने की कोशिश करती थी। मुझे लगता था कि सेहत बहुत जरूरी है। जब तक आप खुद स्वस्थ नहीं होंगे तो बच्चों को क्या बताएँगे? मैंने तो यहाँ NCC ऑफिसर के पद पर भी काम किया है। मैं फ़ील्ड में ड्रम बजाकर पूरे जोर-शोर से मार्च-पास्ट भी करवाती थी। नालागढ़ की Housemaster व एक विभागाध्यक्ष के रूप में मैंने बहुत कुछ सीखा है। अपने इस सफ़र में मैंने हमेशा एक Role Model बनने की कोशिश की है। मेरी कोशिश थी कि कैसे मैं बच्चों को moral values सिखा सकूँ। मैंने हमेशा खुशी के साथ पढ़ाया है। मैंने अगर अपने किसी बच्चे पर गुस्सा किया है तो बाद में प्यार भी किया है।

2) तो आपने इतने वर्षों में शिक्षा क्षेत्र व हमारे स्कूल में क्या बदलाव देखे हैं?

बदलाव तो बहुत आये हैं। पहले तो आज कल के parents भी पहले से बहुत possessive हो गए हैं। पहले विद्यार्थी बहुत disciplined हुआ करते थे और टीचर्स का बहुत सम्मान करते थे। आज social media ने भी बच्चों पर काफी प्रभाव डाला है। पहले तो टीचर्स भी बहुत passion के साथ पढ़ाते थे। लेकिन आज competition के कारण टीचर्स और बच्चे दोनों में stress बहुत बढ़ गया है। पर मेरा मानना है कि हमारे स्कूल के अध्यापक और बच्चे अगर मिल कर एक परिवार की तरह आगे बढ़ें तो इस stress को overcome किया जा सकता है।

3) यहाँ आपका सबसे ज्यादा खुशी से भरा पल कौन सा रहा है?

वैसे तो कई यादें ऐसी हैं जो मुझे बहुत खुशी देती हैं परन्तु सबसे अधिक प्रसन्नता का पल वो था जब Director Sir की पारखी नज़र ने मुझे Officiating DHM की duty सौंपी।

4) आपने जब ये पद संभाला तो आपको क्या लगा कि किन-किन मुश्किलों का सामना करना होगा?

वैसे तो इतने वर्षों का अनुभव मेरे साथ था। मैंने अपनी हर duty को पूरे जुनून के साथ करने की कोशिश की है। मुझे अपने स्टाफ़ पर पूरा भरोसा था कि वह मुझे इस प्रतिष्ठित पद को संभालने में मेरा पूरा साथ देंगे। परन्तु एक अजीब सा डर था कि मैं इसे पूरा कर पाऊँगी या नहीं। मैंने हमेशा ध्यान रखा है कि मुझे हमेशा सीखते रहना चाहिए, फिर चाहे वो बच्चों से हो, टीचर्स से या parents से, क्योंकि हर इंसान आजीवन विद्यार्थी ही रहता है। मैंने ये पद संभाल कर उसके साथ हमेशा न्याय करने की कोशिश की है। मैंने अपना काम जो है वो हमेशा पूरी लगन, ईमानदारी और निष्ठा के साथ किया है।

हरिंदर मैम का व्यक्तित्व इतना सकारात्मक है कि वो बच्चों के लिए प्रेरणा स्रोत रही हैं।

श्रीमती सुमति शर्मा

Ma'am you will be sorely missed by us. Rarely do we meet a person so humble and friendly, always focusing on solutions and not problems.

मैम हम आपको बहुत सारी शुभकामनाएँ देते हैं और आपके स्वस्थ व सुखी जीवन की कामना करते हैं।

Fare Thee Well

On 12 April, 2019, a Special Assembly to bid a musical farewell to our Western Music teacher **Mr.**

Seyiekhrienyu Usou was conducted. Ms. Jyoti Bhatia recounted her experience as a fellow music teacher and sang a song. It was followed by an English song by Mr. Jagpreet Singh on guitar. It ended with a dance performance by Ms. Renu Pant and Class V presenting a medley of songs.

Dr. Sandhu thanked him for his contribution and presented a bouquet and a gift.

On 18 April, 2019, **Mrs. Navjot Gujral**, who had been with YPS for 35 years, was accorded a fond farewell by the Junior Wing Staff and students. Ms. Harsimrat Chahal and Mr. Vijay Kumar shared their thoughts on the somber occasion. Kalyani Chauhan who is an alumni as well a teacher at present at Junior Wing reminisced her days as Navjot Ma'am's student. She dedicated a song to her. The Class V Choir sang the song 'Udo – A million Dreams' to express their respect and affection for her.

Junior Wing Incharge presented a bouquet and a farewell gift to Navjot Ma'am and also spoke about her brief but warm association with her.

At the end, Navjot ma'am recounted her experience at YPS Junior Wing and thanked everyone.

Junior Wing wishes a fond farewell to Navjot Ma'am

On 25 May, 2019, Junior Wing had its **Prize Distribution Ceremony** for the academic year 2018-19. The Director gave away prizes to a total of 167 students for excellence in both academic and non-academic areas.

Junior Wing at Founder's Day

On the momentous occasion of our school's **fortieth Founder's Day**, the Junior Wing Choir gave an outstanding performance on the song 'Udo – A million Dreams.' It was a fusion piece with lyrics both in English and Hindi and was based on the popular English Song 'A Million Dreams.'

Magic Unicorn Charm

If I were a Unicorn
The first thing I would do
Is sprinkle you with magic
And make all your dreams
Come True!

Then I'd paint a rainbow
And each colour would hold a wish,
To fill your days with sunshine
Made with love and happiness!

My Birthday

It's time to say Yeah!
Because it's my birthday.
Having fun with friends,
The happiness never ends.

Then we dance on a song,
We dance for long.
Eating pasta 'n' cake,
The memories we all make.

Saying bye to everyone,
The birthday is still not done.
After opening up all the gifts
To next year, the attention shifts!!

Mobile Phones

Imagine the world without mobile phones!
What would life be without it? Sometimes, I
ponder the benefits it offers, one can know within
a minute where one's friend is! Mobile phones have
become a basic need of our lives.

But has anyone ever thought how it will affect
our eyes, no doubt it connects us with our
relatives and friends. We waste a lot of time on it.
We can use that time for playing which would make
us fit.

Some parents buy their children a mobile phone
when they are very young. In the end, I will say that
mobile phone has both advantages and
disadvantages as you can never imagine a rose
without thorns.

If I Were a Superhero

If I were a Superhero, I would use my powers to
save our planet by preventing global warming
and deforestation.

I would help animals, birds and the entire human
race.

I would plant more trees, stop wars
and help women and children be safe.

If I were a superhero, the world would be a better
place to live in.
